The NBL welcomes Don Wright to its staff as Competition Manager. Don will be working at NBL Headquarters in many capacities, and will author BTs' new feature Competition Corner (Pg.10).

For those of you who don't know me I would like to take this opportunity to introduce myself and offer some insight to my background.

I recently moved to Florida and started working at the NBL home office.

Florida is my home state and it is great to be back after 14 years in the midwest.

I became involved in BMX in 1977 when my son "Animal" started racing. I was involved with a great group of parents in the operating of Burdette Park BMX in Evansville, IN for several years.

I also helped start the BMX program at Fun City in Evansville.

I am looking forward to working on this side of the sport but, I believe I will miss the promotional end of BMX greatly. My greatest pleasures were derived from working with riders.

I hope I can continue to work with riders thru "Competition Corner."

★★★★★★★★★★★★

The first two California WOS races are now history. Each race drew around 100 motos and considering the short promotion time and the small but rapidly growing NBL membership in California, rider turnout was great. Pro riders were there in large numbers and Toby Henderson (Hutch) and Anthony Sewell (Murray) were the first Pro \$ Winners. Good start California were glad your NBL.

Shawnee, Oklahoma..... Vans to sponsor the June 5, 1982 Shawnee, Oklahoma War of the Stars.

There will be two gunfights by the renowned Santa Fe Gunfighters on Friday at 6:00 PM at the Pre-Race and Saturday at 8:30 AM. Two shows you won't want to miss.

★★★★★★★★★★★★

Vans recently announced its co-sponsorship for the following WOS: Memphis TN, Pompano FL, Tucson AZ, Orlando FL, Birmingham AL, Houston TX, Conroe TX, Dallas TX, Indianapolis IN, and Bakersfield CA.

★★★★★★★★★★★★

Word is out that Margaret Christopher a very fast 14 & Over P.P from California (Tom's sister) is coming to Florida for the Triple Header.

★★★★★★★★★★★★

John Hutelin (S.E. Racing) and Nelson Chanady (Hot Shop/GT) just returned from a trip to Venezuela and Puerto Rico.

The pair helped the Venezuelan's open a new track and they taught a couple of clinics in Puerto Rico and they visited tracks and riders.

★★★★★★★★★★★★

Puerto Rico's new NBL State Commissioner and his staff visited the NBL office recently. They spent the weekend visiting Florida tracks and learning about the NBL. At this time they have three tracks. Welcome Aboard!

We are very pleased to have the riders in Puerto Rico become a part of the NBL. As a part of the United States they now become the State of Puerto Rico. With low air fares from New York and Florida, we expect them to see many mainland visitors, and we will have some major races there probably in January or February.

★★★★★★★★★★★★

Florida is running a five month State Championship Series, with the best 10 races the State Championship race counting toward the State Championship. The State Championship race will be held on Sunday, May 30, at Cabana Colony.

Randy Heenan (Hot Shop/MCS) is on the mend and should be racing again in April.

★★★★★★★★★★★★★★★★

Don't forget the May 23rd WOS at ARMADILLO DOWNS in Conroe, TX. The last time Charles & Carlene Scott hosted a major race at ARMADILLO they drew the largest number of riders to an outdoor BMX race in the state of TX. Riders came from ten different states. More than 600 riders competed in that one day event. Do y'all think you can break those records? Come and try, We'll be there.★★★★★★★★★★★★

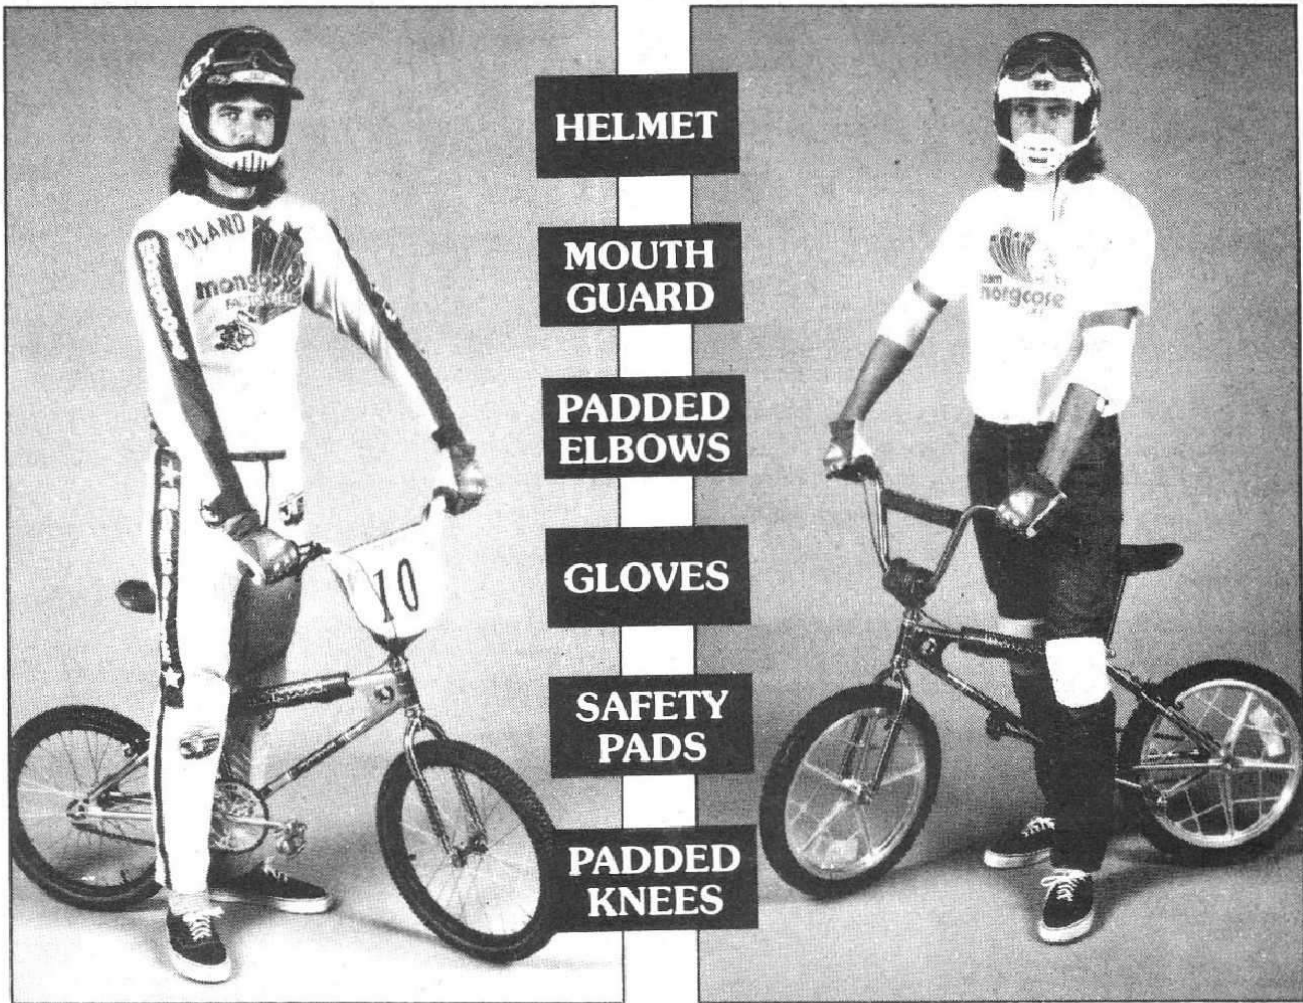

What does a can't quit and wouldn't if he could BMXer do when he's finished moving up in experience and age levels? Some turn to Professional BMXing. Virginia and its super track in Hampton recently graduated two of its super strong riders in this direction. Mike Rich and Mike Gordon, riding in both 20" and Cruiser, are two new Virginia Pros. Currently running as independents, (keep your eyes on these guys, sponsors, when you're looking for talent) bet on those guys cutting ruts on the East Coast Circuit. Mike Gordon (36G), who helps build ships in Newport News, Virginia, when he is not racing, gave up the noise and confusion of the motorcycle circuit for the peace and (almost) quiet of pedal power. His upfront consistency and riding skill should take him the distance as a Professional. The spinning world of BMX welcomes and wishes these New Pros the Best of Luck.

1982 IBMXF WORLD CHAMPIONSHIP BMX RACE UPDATE

Dayton, Ohio.....

Huffy Corporation, sponsor of the 1982 IBMXF World Championship BMX Race, announced today the addition of many exciting activities during the 4 day bicycle motocross race to be held at Montgomery County Fairgrounds in Dayton, Ohio on July 22, 23, 24 and 25.

In addition to the Huffy Silver Cup pre-race to be held on Thursday, July 22, many special events will be offered for the entertainment of participants, their families, and spectators. The spectacular Dayton Air Show, the largest in the country, will be held the same weekend as the BMX race, and they have offered special discount coupons to BMX people to attend the air show when they are not racing. Activities to be included on Saturday and Sunday in the Fairgrounds will be carnival rides, a flea market with something for everyone, a kids pet animal show, electronic game room and special photo booth. In addition, there will be live remote radio broadcasts from the track with musical entertainment furnished by a rock group and a country western band.

Huffy is pleased to announce that kids 14 and under will be admitted free both Saturday and Sunday and there will also be free parking. The admission charge for 15 year olds and over will be \$3.00 per day.

The schedule for the 4 days is:

- July 22 - Huffy Silver Cup Pre-Race
- July 23 - Practice on the exciting new track which includes a tunnel jump-11:00 AM til 7:00 PM
- July 24 - 9:00 A.M. Qualifying races start
- July 25 - 9:00 A.M. Main races begin

Race teams and riders are expected to enter from over 14 countries. This global championship is truly the BMX event of the year. Estimates of attendance are over 20,000 people per day; more than 3000 racers are expected.

The race will be honored by the presence of the Mayor of Dayton, Paul Leonard, who will be the Grand Marshal of this tremendous event.

Huffy Corporation has issued a challenge to managers from other BMX bicycle manufacturers to meet Huffy managers in a match BMX race during the IBMXF championships. If Huffy is taken up on this challenge, spectators can expect to see the moto of the century. Factory managers that participate must ride one of their company's manufactured 20 inch BMX racing bikes. Watch for further updates on events to take place at the Globals in Dayton, Ohio.

COMPETITION CORNER

Competition Corner is a new monthly feature in Bicycles Today devoted to such areas concerning competition.

Competition Corner will cover matters related to tracks, riders, and officials; everything from better ways to run a BMX race program to competition in new fields of BMX.

If you have any questions or suggestions pertaining to competition, please don't hesitate to write or call: Don Wright at NBL 3801 North Federal Hwy. Suite #8 Pompano Beach, FL 33064. 305-942-9761.

RULE CHANGES

Suggested rule changes must be received no later than September 30, 1982. Please list: The rule change, addition, or omission you are recommending; why; and any suggested solution. Forward this to any 1982 Region Commissioner or the NBL Home Office.

"ATTENTION NBL RIDERS"

At the end of the 1982 summer season the NBL would like to award one track the title of "Track of the Year".

We also would like to award to an official the title of "Official of the Year".

To do this we need your help. I would like for each and everyone of you to keep your own records of your opinions of tracks and officials and at the end of this year send to me your selections of track and official of the year.

Please check the expiration date on your NBL license and make sure that your license is current so you get credit for competing in NBL local and National events.

TRACK DIRECTOR MEMO

At the end of each year there is usually a little time to look back and take stock of our past performance and to start planning the new season so as to achieve some improvements.

The staff here at the main office has listed some deficiencies observed over the past year and we are determined to improve them in 1982. But, we do need your help to accomplish some of this.

Below are listed those areas needing improvement that your help is of paramount importance:

1. File your affiliation renewal by January 31 of each year.
2. File your sanction application at least two (2) weeks before the event.
3. Send in race report no more than three (3) days after event.
4. File accident report on anyone hurt or possible injury at every event.
5. Be extra friendly to new faces at your events - These are the people who will be the future of this sport.

Cont'd on next pg.

6. Run all your events by the NBL Rule Book.
7. Make sure your officials of the day are qualified to do their job.
8. Take the time to talk to the riders and hear what they have to say.
9. Send your race schedule to the NBL Home Office.

PROTEST APPEAL/REVIEW BOARD

There has been a Protest Appeal/Review Board established in the NBL. All protests which are to be appealed will be sent to the Director of Competition.

Any protest which the Director of Competition feels should be investigated will be forwarded to a committee of three officials and one member of the Rider Advisory Counsel outside of the region the infraction occurred. Their decision shall be final.
